

Are you a school or school district that believes all children should succeed? Do you have teachers that want to get it right, but need extra support? Do you have leaders in your district that want to get it right, but need extra support? Do you believe equity should be the main course and not just a condiment? If you answered yes to any of these questions, you might be our ideal client. We have helped schools in Maryland, Michigan, New York, North Carolina, Ohio, Pennsylvania, Tennessee, Texas, Utah, Washington, DC, and even Okinawa, Japan. Nylinka helps its clients, one solution at a time.

Nylinka School Solutions is an educational consulting firm helping schools support marginalized groups. We are committed to justice. Our mission is to make the world a more just place to live in, one solution at a time.

Our suite of **SERVICES**

Our Mission

We endeavor to serve teachers, school leaders, and school districts with professionalism, honesty, pedagogical skill, and business acumen. In doing so, we leverage clients to more strategically serve children in order to make the world a more just place to live in.

Strategic Planning

- ▶ Leveraging strengths in creating long-term goals
- ▶ Using data to create long and short-term goals
- ▶ Hiring employees for cultural fit
- ▶ Adaptive vs Technical changes in meeting goals

Classroom Instruction

- ▶ Black children's learning styles
- ▶ Supporting Black males
- ▶ Differentiation as a tool of equity
- ▶ More movement and engagement (kinesthetic worksheets)

Executive Coaching

- ▶ Executing long-term goals
- ▶ Using meetings to support goals
- ▶ Coaching employees and teachers through change and uncertainty
- ▶ Coaching & guiding adaptive changes

Equity Audits/ Cultural Survey

- ▶ How equity lives in the school community
- ▶ How our school community defines equity
- ▶ Voicing the unvoiced/ identifying blind spots and milkshake moments

Restorative Practices

- ▶ Who am I as an educator and disciplinarian
- ▶ Restorative Circles-retribution vs restoration
- ▶ Cultural relevance in school discipline
- ▶ The Social Discipline Window/MRAB
- ▶ Connecting restorative practices with school-wide behavior approaches (PBIS/Responsive Classroom)

Culturally Relevant Pedagogy & Content (School-based DEI)

- ▶ Library and curriculum audits
- ▶ Equity in voice and content in ELA and Social Studies
- ▶ Bias in curriculum materials

OUR VISION

We envision a world in which all student dreams come true.
